

Get Tested this Friday, June 27 – National HIV Testing Day

Remember that this Friday, June 27, 2014 is National HIV Testing Day.

Nearly 1.1 million people are living with HIV in the U.S., and one in six don't know they are infected. HIV testing is a critical first step in taking control and responsibility over one's health.

Under the theme "Take the Test, Take Control" National testing day focuses on the importance of HIV testing and HIV prevention.

Remember that this Friday, June 27, 2014 is National HIV Testing Day.

Nearly 1.1 million people are living with HIV in the U.S., and one in six don't know they are infected.

If you do not know your HIV status, it is time for you to Take Control of your Health and Take the Test.

Testing sites can be found at
