

# Children's AIDS Fund International is Now on eBay

Children's AIDS Fund International (CAFI) has a new way for you to help support our ongoing efforts to be part of the global solution to HIV/AIDS. Beginning this week CAFI has begun listing selected items on eBay. Some of these items are unique in limited quantities and others are also featured on our website.

eBay, in partnership with PayPal Giving Fund, allows registered nonprofits to sell and receive payments without paying normal fees. With the holiday season fast approaching this is a simple way to find that one-of-a-kind gift for someone special and avoid the crowds.

*"This is a great and easy way to support CAFI's ongoing global and domestic programs."*

PayPal Giving Fund has other ways to support CAFI programs. If you are a seller on eBay you can give a percentage of your proceeds to CAFI. Sellers can give from 10 to 100% of their proceeds each and every time an item is sold. Participating sellers are rewarded for their generosity with special eBay Giving Works features that help them get more bids and higher sale prices. We receive the recognition in the listing and benefit from your success.

Additionally, eBay members can choose to make an online gift with PayPal. The "Donate Now" tab lets anyone with a PayPal account donate to CAFI at any time. PayPal will collect and distribute the donation and handle the tax receipt. This is a great and easy way to support CAFI's ongoing global and domestic programs.
