

# Wishing You a Joyful and Wonderful Holiday Season

The holidays are a time to count our blessings. And at Children's AIDS Fund International our friends and supporters are at the top of the list.

Why?

Without you, the God's Can Orphan School would not have walls and a roof so the HIV-impacted children in the slum could attend school.

Without you, Brian—a young HIV-positive man—would not be able to attend university.

Without you, 16-year-old Joyce would not have attended vocational skills to learn knitting to support herself and her two sibling—all orphaned by HIV/AIDS.

Without you, 10-year-old orphaned Victor would not have received life-saving antiretroviral medications that have given her both health and hope for the future.

And because of all of you who got involved, these children's lives, and thousands more, have been changed.

Thank you for caring about the millions of precious HIV-impacted children around the world, and for allowing us the privilege of being your partner in the process of helping them.

On behalf of Children's AIDS Fund and all the HIV-impacted

children at home and abroad that you have touched. Happy  
Holidays!
