

Children's AIDS Fund International attends 2015 Combined Federal Campaign Kick-off in McLean, VA

The Children's AIDS Fund International (CAFI) was one of ten charities invited to attend the Farm Credit Administration's (FCA) Kick-Off event for the National Capital Area, Combined Federal Campaign Celebration (CFC) in McLean, VA. This was the first

time CAFI has been invited to attend the FCA'S Charity Kick-off event. This year's CFC campaign slogan "Make it Possible", and the "Price is Right" the theme the FCA chose highlight the impact that even a small donation to the campaign can make.

Mr. Thom Ingles, Loaned Executive Officer CFC, a featured speaker at the event shared an especially poignant story about his grandmother who received assistance from a local CFC charity that provides hot meals to the elderly and individuals who are confined in their homes due to sickness and other issues.

This is one of the most important charity campaigns for CAFI with the nation's capital so close to CAFI offices

The CFC is the largest and most successful workplace fundraising campaign in the world. The CFC of the National Capital Area (CFCNCA) is the local campaign for federal employees in the Washington Metropolitan Area. This is one of

the most important charity campaigns for CAFI with the nation's capital so close to CAFI offices.

CAFI has participated in the CFC for over 17 years; raising thousands of dollars for children and families who have been impacted by HIV/AIDS. If anyone you know works in the federal government or is a member of the military let them know about the important work CAFI is doing to help limit the suffering of children and families affected by HIV. Ask them to visit our website and read about our ongoing programs which benefit thousands of children and families, or better yet forward them one of our emails highlighting our work. Thanks for your help
