

2016 Combined Federal Campaign Launched

The Combined Federal Campaign (CFC) is a 55-year Federal workplace giving tradition that has raised more than \$8 billion for charitable organizations, making it one of the largest workplace giving campaigns globally. Funds raised each fall through the CFC help neighbors in need around the corner, across the nation and throughout the world. Under the theme “Show some Love”, this year’s campaign runs until December 15, 2016

This is one of the most important charity campaigns for CAFI

The CFC of the National Capital Area (CFCNCA) is the local campaign for federal employees in the Washington Metropolitan Area. It is one of the most important charity campaigns for CAFI with the nation’s capital so close to CAFI offices. More than \$46 million was raised during the 2015 campaign.

CAFI has participated in the CFC for over 18 years; raising hundreds of thousands of dollars for HIV impacted children and

families. If anyone you know works in the federal government or is a member of the military, please let them know about CAFI's important work to help limit the suffering of children and families affected by HIV. Ask them to visit our website, read about programs which benefit thousands of children and families, and ask them to designate CAFI as their beneficiary in the CFC.

Thanks very much for your help
