

Emergency Assistance

Financial

CAFI provides one-time emergency financial assistance for necessities such as utilities, rent, burial assistance, etc. Awards are made based on funds available for the program at the time the request is received. Requests for assistance must be submitted on the CAFI application, which includes showing other local resources that have also been tapped.

Care providers who are members of the CAFI United States Care Provider Network who wish to inquire about this service should contact CAFI at 703/433-1560 or submit a request for information using the Contact Us form.
